(valida per la qualifica al CRUFTS 2018 / *qualifying shows for CRUFTS 2018*)

SALUTO DEL PRESIDENTE ENCI / WELCOME FROM THE ENCI PRESIDENT

Carissimi,

il mio più sentito benvenuto alla prima edizione dell'ENCI WINNER, la grande Esposizione organizzata direttamente da ENCI che, dopo alcuni decenni di assenza, il Consiglio Direttivo ha orgogliosamente voluto reintrodurre, con una denominazione nuova e con l'obiettivo di diventare il principale punto di riferimento del mondo espositivo italiano.

Per offrire tre giorni di cinofilia di altissimo livello, l'edizione 2017 di ENCI WINNER si affianca al prestigioso Mediterranean Winner Show, fortemente voluto dalla FCI, e al tradizionale appuntamento con l'Esposizione Internazionale di Milano giunta alla 51a edizione.

L'elevato livello tecnico con il quale, grazie all'impegno di tutti, si è inteso caratterizzare la manifestazione, offre la garanzia di uno spettacolo straordinario, di piena gratificazione per gli allevatori, per i proprietari dei cani iscritti e per il pubblico partecipante.

I tre giorni espositivi concludono la Settimana Cinofila Milanese che ha lo scopo di diffondere la cultura del cane nel contesto metropolitano e che ha avuto, anche per questo motivo, il patrocinio del Comune di Milano e della Regione Lombardia.

ENCI WINNER, verifica zootecnica per eccellenza, ha avuto l'onore di essere patrocinato, unica esposizione in Italia, direttamente dal Ministero delle Politiche Agricole Alimentari e Forestali, a sottolineare l'importanza della manifestazione ai fini della selezione del cane di razza.

Un onore per l'ENCI, dunque, poter contare sulla partecipazione di ciascuno di voi. Vi ringrazio di aver scelto di essere protagonisti, assieme a tutti noi, di questo momento speciale.

Il Presidente ENCI
Dino Muto

Dears,

My warmest welcome to the first edition of ENCI WINNER, the great exhibition organized directly by ENCI which, after a few decades of absence, the Board of Directors proudly wanted to reintroduce, with a new name and with the aim of becoming the main landmark of the Italian exhibition world.

In order to offer three high-quality cynophilist days, the 2017 edition of ENCI WINNER combines with the prestigious Mediterranean Winner Show, strongly wanted by FCI, and with the traditional appointment of Milano International Dog Show reaching this year the 51st edition.

The high technical level with which it was intended to characterize the event, thanks to everyone's commitment, offers the guarantee of an extraordinary performance, full of gratification for breeders, owners of the participating dogs and the audience.

The three exhibition days conclude the Milanese Cynophilist Week, which aims to spread the dog's culture in the metropolitan context and which has had, also for this reason, the patronage of the Milano City Council and the Lombardia Region.

ENCI WINNER, the zootechnical inspection par excellence, has the honor of having had the patronage of the Ministry of Agriculture and Forestry, the only Italian dog fanciers show, to emphasize the importance of the event for the selection of the pure breed dog.

Therefore, an honor for the ENCI to be able to count on the participation of each of you. I thank you for having accepted to be part of the jury and to have chosen to be protagonists, together with us all, for this special moment.

ENCI President
Dino Muto

In particolare, si raccomanda di non lasciarli mai chiusi in automobile in condizioni di temperatura incompatibile, di non lasciarli stazionare a lungo costretti sui tavoli da toelettatura, di consentire frequentemente l'accesso alle aree predisposte per i loro bisogni fisiologici e di non far mai mancare la disponibilità di acqua fresca e pulita.

Ogni trattamento crudele verrà prontamente segnalato e comporterà l'esclusione del cane dal concorso.

Si raccomanda di non lasciare mai i cani senza la dovuta supervisione.

Exhibitors are responsible for the welfare of their own dogs.

It is forbidden to put a dog in conditions that can damage their health and well-being.

I cani pericolosi non sono ammessi. Gli espositori sono i soli responsabili e l'iscrizione comporta l'accettazione di quanto sopra.

Il Comitato Organizzatore si riserva il diritto di apportare le modifiche alla giuria che si rendessero necessarie per la buona riuscita dell'Esposizione.

Per quanto non previsto si fa riferimento al regolamento Speciale delle Esposizioni canine dell'ENCI e della FCI.

QUALIFICHE E CLASSIFICHE

I giudizi dati dai giudici devono rispondere alle seguenti definizioni:

ECCELLENTE - da attribuire unicamente ad un cane che si avvicina molto allo standard ideale della razza, presentato in perfette condizioni, che dà un'impressione globale armoniosa, con temperamento equilibrato, con "classe" e portamento brillante. La superiorità delle sue qualità di razza consentirà di ignorare alcune piccole imperfezioni; deve comunque avere le caratteristiche tipiche del suo sesso.

MOLTO BUONO - da attribuire unicamente ad un cane perfettamente appartenente alla razza, di proporzioni equilibrate ed in perfette condizioni. Saranno tollerati piccoli difetti ma non quelli morfologici. Questo giudizio può essere dato solo ad un cane di qualità.

BUONO - da attribuire ad un cane che possiede le caratteristiche principale della razza. Gli aspetti positivi devono prevalere rispetto a quelli negativi in modo tale che il soggetto sia considerato un buon rappresentante della razza.

SUFFICIENTE - da attribuire ad un cane che appartiene alla razza in modo sufficiente, senza qualità particolari o non in condizioni ottimali.

SQUALIFICATO - da attribuire ad un cane che non corrisponde al tipo richiesto dallo standard della razza, con un comportamento chiaramente contrario allo standard o aggressivo, con anomalia testicolare, imperfezioni dentali o a livello della mascella; che mostra un colore del mantello o una struttura non in accordo con lo standard di razza o mostra chiaramente segni di albinismo. Questo giudizio viene attribuito anche ad un cane poco appartenente alla razza per cui la sua salute potrebbe risultare minacciata. Può anche essere attribuito ad un cane che presenta difetti da squalifica rispetto allo standard della razza. Il motivo per cui un soggetto viene SQUALIFICATO deve essere specificato nella relazione del giudice.

I cani ai quali non viene dato uno di questi giudizi non potranno restare nel ring e sarà loro attribuito il seguente giudizio:

NON GIUDICABILE: questo giudizio viene attribuito ad un cane che non si muove, che è zoppo, che salta in continuazione o cerca di lasciare il ring rendendo impossibile giudicare il suo movimento e portamento. Viene attribuito anche ad un cane che rifiuta di lasciarsi esaminare dal giudice, rendendo impossibile la valutazione della dentizione, dell'anatomia e della struttura, della coda o dei testicoli. Sono interessati anche i cani nei quali il giudice individua tracce di operazioni o di interventi. Questo giudizio è valido anche quando il giudice ha ragione di pensare che le operazioni siano state fatte per correggere la condizione originale del cane o le sue caratteristiche (palpebra, orecchio, coda). Il motivo per cui viene attribuito questo giudizio dovrà essere riportato nella relativa scheda.

I soggetti non qualificabili non potranno restare nel ring.

Nella classe Puppy (6-9 mesi) e Minor Puppy (3-6 mesi) saranno rilasciati giudizi che, al momento dell'esposizione del cane rispecchino i presupposti dell'evoluzione morfologica futura del soggetto.

Gli esperti giudici dell'ENCI possono assegnare esclusivamente in classe Puppy (6-9 mesi) e Minor Puppy (3-6 mesi) in esposizioni riconosciute le seguenti qualifiche:

- Molto Promettente (M.P.);
- Promettente (P);
- Abbastanza Promettente (A.P.).

It is not possible to enter a dog in more than one class.

In order to compete for the CAC, International and Foreign Champions have to be entered in Open Class or in Intermediate Class or in Working Class, if submitted to a working trial.

Bitches on heat are allowed to participate if they have not evident blood loss.

In order to enter the show, dogs bred in Italy, with cropped ears (when expected by the breed standard), born after 4.12.2010, have to show the ORIGINAL veterinary certificate where the medical reasons for which the amputation was required are properly specified. The owner will have to deliver copy of the mentioned certificate.

The event may be subject to anti doping controls based on the "Rules and regulations for doping control of dogs registered in stud books which participate at dog shows recognised by the Italian Kennel Club" and the organization may carry out checks according to the modalities indicated by the ministerial procedural guidelines.

Complaints: All the complaints have to be formulated in writing, delivered to one Representative of the ENCI or sent by registered letter, to ENCI (Viale Corsica, 20 - 20137 Milano) within seven days by the end of the Dog Show, including a complaint tax of € 51.65 which will be acquired if the complaint is unfounded.

Responsibility: The ENCI refuses all responsibility for theft, escape, disease, death of dogs, bites caused by them, etc., and this is for every event and cause. Exhibitors are the only responsible. Registration to the show implies the acceptance of the above.

The Organizing Committee reserves the right to make changes in the list of judges which could become necessary for the success of the Show.

For everything which is not provided, it is possible to examine ENCI and FCI rules.

The qualifications given by ENCI judges at the recognized shows must correspond to the following definitions:

EXCELLENT may only be awarded to a dog which comes very close to the ideal standard of the breed, which is presented in excellent condition, displays a harmonious, well-balanced temperament, is of high class and has excellent posture. Its superior characteristics in respect of its breed permit that minor imperfections can be ignored; it must however have the typical features of its sex.

VERY GOOD may only be awarded to a dog that possesses the typical features of its breed, which has well-balanced proportions and is in correct condition. A few minor faults may be tolerated. This award can only be granted to a dog that shows class.

GOOD is to be awarded to a dog that possesses the main features of its breed. The good points should outweigh the faults so that the dog can be considered a good representative of its breed.

SUFFICIENT should be awarded to a dog which corresponds adequately to its breed, without possessing the generally accepted characteristics or whose physical condition leaves a lot to be desired.

Dogs that cannot be awarded one of the above qualifications shall be released from the ring with the rating:

DISQUALIFIED must be awarded to a dog that shows disqualifying faults in regard to the breed standard. ENCI's delegate will acquire the information about the dog, withdraws the working book, and transmits them to ENCI.

CANNOT BE JUDGED This rating is to be given to any dog which does not move, which is lame, which constantly jumps up and down on its handler or tries to get out of the ring, which makes it impossible to assess the gait and the movement or avoids constantly to be examined by the judge and makes it impossible to inspect teeth, anatomy and structure, tail or testicles. This rating is also to be given if traces of operations or treatment can be observed which seem to indicate that the exhibitor wanted to deceive the judge. The same applies if the judge has ample reason to suspect operations that were intended to correct the original condition or feature (e.g.: eyelid, ear or tail).

The reason why the dog was rated "cannot be judged" has to be stated in the judge's report.

Non-qualified subjects can't stay in the ring.

In the Minor Puppy Class (3-6 months) and Puppy Class (6-9 months), the qualifications that will be awarded at the moment of the show, reflect the premises of the future morphological evolution of the subject. It isn't compulsory to have the working book.

ENCI judges can award only for Minor Puppy Class and Puppy Class the following qualifications:

- Very Promising;
- Promising;
- Quite Promising.

GABBIE E TRASPORTINI / CAGES AND CRATES

The organization will remove, without notice, equipment placed in unsuitable areas. Given the large number of dogs, it is recommended not to introduce in the halls equipment not strictly necessary.

It is not allowed to leave the cages, kennels and all other equipment in the halls at night.

It is recommended full cooperation in maintaining the cleanliness of the halls, corridors and rings and to use the appropriate containers. Harry to clean up any droppings of your dogs.
